98 CENTS OF EVERY DOLLAR GIVEN STAYS RIGHT HERE IN MASON COUNTY

We are committed to enhancing the well-being of Mason County residents through a focus on HEALTHY LIVING. Our dedication is reflected in our financial support for vital local organizations that empower residents to make healthier dietary choices, engage in physical activities, and nurture strong, family relationships.

Thanks to you, we were able to grant these agencies \$29,000 last year.

LIVING A HEALTHY LIFESTYLE

We are dedicated to fostering FINANCIAL STABILITY in Mason County through local program funding and strategic collaborations with 10 local employers through our Lakeshore Employer Resource Network. Our approach involves partnering with these companies to empower their employees by providing an on-site Resource Coach who offers invaluable support in overcoming challenges and ensuring job retention.

Thanks to you, we were able to grant \$61,745 to local programs dedicated to financial stability.

ACHIEVING FINANCIAL STABILITY

We are dedicated to advancing POSITIVE YOUTH DEVELOPMENT in our community by fostering collaboration among three local school districts and West Shore Community College through the Mason County Family Link. We believe that connecting students and families with valuable community resources while also providing essential, no-cost mental health support to students in need is vital in our community.

Thanks to you, we were able to grant \$51,792 to local programs dedicated to youth development.
